Welcome

Welcome to Brackendale Montessori. We are a CCMA applicant School. In true Montessori form, we strive to create an environment that is nurturing, warm and welcoming.

This handbook forms an important part of your child's enrollment with Brackendale Montessori. It contains all the information you need to know while your child is in our care. We look forward to getting to know you and your child.

Brackendale Montessori Program Statement

Brackendale Montessori offers a learning program that is consistent with both Maria Montessori's ideas and the Ministry of Education policies, pedagogy, and curriculum.

Brackendale Montessori emphasizes active learning as children learn best by pursuing their personal interests and goals, children make their own choices about materials and activities during the program time. As they pursue their choices and plans, children explore, ask and answer questions, solve problems, and interact with peers, program staff, volunteers, and students on placement. Children are **competent, capable, curious, and rich in potential**. Brackendale Montessori recognizes each child as a unique individual who brings their own abilities to the program and deserves the encouragement and space to try new things, explore new ideas and develop their own unique creativity. We provide an environment that fosters curiosity, one that allows children to explore in a safe and caring environment. An environment in which to grow and develop to their maximum potential. We understand the importance of taking children's stages of development and their unique family, community, and life experiences into consideration. In each case, we aim to integrate all areas of the child's development into our program in a holistic way.

Our program strives to:

- Create a sense of belonging where a child is connected to others and contributes to their world.
- Develop a sense of self and well-being.
- Have every child be an active and engaged learner who explores the world with body, mind, and senses.
- Have every child be a capable communicator who expresses himself or herself in many ways.

Our program is designed to:

1. Encourage children to interact and communicate in a positive way and support their ability to self-regulate
2. Foster the children's exploration, play and inquiry
3. Provide child-initiated and adult-supported experiences
4. Offer opportunities to create authentic lasting relationships with others in the program
Health, safety, nutrition, and well-being of children We know that the early years set the foundation for children's health and well-being.
5. The brain's architecture is shaped by a child's interactions and relationships with parents and other significant people in their lives.
6. Early brain development is stimulated through experiences and interactions with responsive adults.

Family, School, and Community Partnerships

Relationships among children, families, staff, and community partners is a core value at Brackendale Montessori, fostering collaborative and co-operative relationships among all our partners. Brackendale strives to promote a sense of belonging for children and their families in our programs by creating positive interactions and collaboration of families. We understand that relationships of trust are the basis for learning and co-operation. Every child is given the opportunity to develop personal responsibility and social skills, to learn to problem-solve and to learn about diversity and inclusion. The skills of conflict resolution are important to lifelong learning. As competent individuals, children are active participants in resolving conflicts. We encouraged them to come up with ideas and solutions to problems that arise. Brackendale Montessori is committed to working collaboratively with all our community partners as we work together on the mutual goal of providing the best possible childcare service to families. Positive self-expression, communication and self-regulation leads to children's sense of belonging. Positive learning environments and experiences, focused on active learning, encourages children's communication, self-expression, and self-regulation. We seek to be aware of, foster, support, encourage, respond to, and document the many ways in which children express themselves, the many "voices" with which they articulate their ideas, the variety of "languages" they use to communicate. We also seek to honor and reflect children's home language and culture in our programs. In our inclusive learning environments, we welcome children of all abilities. Respect for diversity, equity and inclusion is vital for optimal development and learning.

We know that our partnerships with our families help our program to best meet the needs of the children:

- Families form the foundation for a child's early development. Families know their children best and are the first and most powerful influence on learning and development.
- The needs of each child are considered in the context of their family composition, values, culture, and language. This approach enriches relationships between early childhood settings, families, and their communities.
- We involve parents and other important adults in various events and activities at our programs. This connects them to their children's early development and enhances the child's learning. In addition to the daily interaction with program staff, we offer many opportunities for parent feedback and involvement. We use parent input to improve our programs and services.

While our range of community partners is broad Brackendale Montessori works with local community agencies and partners in order to support the children and families in our programs. We view the community as a valuable resource and our educators plan learning opportunities to engage the community in our programs. We seek out opportunity to share our knowledge and to learn from others in the community.

Our Program

Brackendale Montessori focuses on learning the way that children naturally learn and respond to the environment around them. When children are manipulating Montessori materials, objects, acting out roles, or experimenting with different materials, they are engaged in learning. The Montessori Material allows children to actively construct, challenge, and expand their own understandings, making connections, thereby opening the door to new learning.

Cultural materials enable children to investigate, ask questions, solve problems, and engage in critical thinking. The manipulation of Montessori material is responsive to each child's unique learning style and capitalizes on their innate curiosity and creativity. Our program also supports children's self-regulation, their ability to deal with stress and remain calm, alert, and ready to learn. When children are calmly focused and alert, they are best able to modulate their emotions, pay attention, ignore distractions, inhibit their impulses, and understand the consequences of their actions. We believe that families are experts on their children and sharing knowledge is integral to the success of your child. Brackendale aims to ensure that families have the support, safe, reliable, high quality licensed Montessori School for their children, which ensures parents peace of mind while their children are in program. Respect, care, empathy, trust, and integrity are core values in all our interactions with families.

The Environment

Children learn and explore their environment and experience the world through exploration, investigation, and self-regulation inside the classroom. Learning is extended to the outdoors from the indoor classroom through recess, nature walks or field trips. The learning environment provides extended opportunities for all elements of learning, from gross motor development, nature exploration, independent and cooperative learning.

Our Teachers

At Brackendale Montessori our Teachers view a positive, supportive relationship between child and educator as fundamental. Teachers connect with children by being available, responsive, and caring. This is the way they build trust, making children feel safe and secure. From this platform, relationships are made so that children discover, take risks, grow, and learn.

Our teachers provide a safe environment for your child by preparing spaces that are more conducive to learning. Actively participating in your child's play experiences through observing and documenting the milestones in your child's life to ensure age-appropriate development.

Our teachers also provide learning opportunities and practical work experience, in the areas of programming and administration, to members of the community through the recruitment, placement, training and recognition of volunteers and students on placement. Brackendale Montessori is committed to supporting their teachers in continuous professional learning. Our teachers have a positive and a sensitive attitude towards children. Teacher's plan on a daily basis, based on the observations that they make on children's interests. In this way, learning is extended, leading to deeper investigation with materials and the environment. Teacher's plan for and create positive learning environments and experiences in which each child's learning

and development will be supported. Through positive adult-child interactions, our teachers extend their learning by encouraging children to build upon their existing knowledge.

At Brackendale we believe that knowledgeable and responsive Teachers:

- Establish a social environment that supports autonomy and self-esteem
- Establish positive relationships, friendships, and conflict resolution
- Provide responsive care to all children in program while meeting their individual needs
- Design a supportive physical environment
- Provide new learning possibilities through interest centers
- Foster, observe and document significant behavior/developmental milestones
- Incorporates the community
- Recognize that responding to the unique abilities, needs, and characteristics of each child, family, and community is central to supporting learning and development.
- Engage with children as co-learners as they explore their environments.
- Provoke children's thinking, create meaningful programs, and guide interactions.
- Use a warm and positive approach to support children's developing ability to express emotions and take other perspectives.
- Know when to stand back and observe and when to enter to stimulate thinking.
- Make a commitment to build self-awareness, regularly reflect on practices and engage in new learning experiences, both individually and with colleagues.
- Formal professional learning is vital, but we also know that the most central professional growth happens day-to-day, as our staff co-learn with children and each other as self-reflective professionals.

All Brackendale Montessori teachers attend mandatory professional development meetings and receive training on an ongoing basis. They make daily observations of children in the program and use this information in their future planning. Our intention is to move beyond reporting of children's behavior, in order to find meaning in what children do and experience.

Program Assessment and Reflective Practices

Teachers reflect and assess their program and environment weekly to ensure that the program is meeting the individual needs of the children and the group and that their environment is set up according to the interests of the group. The supervisor reviews weekly program plans and documentations to ensure that they meet our *Program Statement Requirements*. The Supervisor demonstrates leadership by observing each classroom and engages in conversation with the educators and children regarding how the children are learning, what they need to learn and what is the best means for this learning to happen.

Child Guidance, Protection & Prohibited Practices

All Teachers, volunteers and placement students will follow our core values of caring, honesty, inclusiveness, respect, and responsibility. Teachers support children in developing strategies to remain calm and to regulate their emotions while recognizing the effects of their actions on others.

Any practice based on a negative control technique is not part of Brackendale Montessori practices and core values.

Prohibited practices include:

- Corporal punishment of a child
- Harsh or belittling discipline including verbally belittling or threatening
- Depriving basic needs including food, shelter, clothing, or bedding
- Locking the exits of the childcare center for the purposes of confining a child or using a locked or lockable room or structure to confine the child if he or she has been separated from other children
- Confinement or restraint for the purpose of limiting a child's movement.
- Inflicting any bodily harm on children which includes forcing children to eat and drink against their will.

Contravention to the prohibited practices:

Any Brackendale Montessori staff member observed using disciplinary measures that contravene the Brackendale Montessori Policy shall be reported immediately to the Administration/ Director. The Director will immediately contact appropriate agencies

In the event of a contravention of Policy, the operator, in its sole discretion, can take any of the following disciplinary action:

- Verbal reprimand
- Place signed letter of reprimand in the staff's file
- Suspension without pay
- Dismissal or Termination

Goals and Approaches for our Program Statement

• **Health, Safety, Nutrition and Well- being**

All our Lead teachers have successfully completed their Montessori training that is recognized by Montessori Accreditation Council for Teacher Education (MACTE) and/or Association of Montessori International (AMI) or an Early Childhood Education (ECE) and/or Early Childhood Assistant (ECA) Program. All Staff have their standard first aid and CPR level C training including infant CPR and have been trained in all health and safety protocol which include: administering of an Epi Pen.

We understand that the first step in establishing and nurturing **health, safety, and wellbeing** for children in our programs is by providing a clean and safe environment, including nutritious meals which is provided by a licensed caterer and follows Canada's food guide, and the children have unlimited access to drinking water.

Toys are cleaned and sanitized daily any time they have been mouthed. Beds and linen are washed and sanitized weekly as well as when illness or bed wetting incidents occur. All furniture is kept clean and in good order (broken furniture is fixed or removed immediately upon discovery). The school uses a professional cleaning company on a nightly basis.

The health of each child is documented on a daily basis and children with any of the following symptoms are not able to remain in care for the day and can only return once they are symptom free for 48 hours or have the appropriate treatment as laid out by a Health care professional.

- Fever (axillary temp) – 37.8 C or higher
- Cough – constant or barking
- Diarrhea or vomiting – 2 occurrences or 1 of each
- Any form of eye discharge or conjunctivitis (pink eye)
- Open or oozing sores/rashes
- Not able to participate in the daily program

Children with any of the above symptoms will be separated from the group and cared for in the office. Parent or guardians will be contacted for an immediate pick up.

We promote children’s health and safety by ensuring teachers, volunteers and students are familiar with individual medical needs/conditions, allergies, food restriction and special requests towards each child.

We provide both nutritious and appealing snacks and hot lunches for children catered by **Wholesome Kids Catering**. Menus follow Canada’s Food Guide and are culturally sensitive. You can view the menu on the boards in each classroom. We accommodate dietary and/or religious food requirements for our children.

Meals from Home

For children not on our catering program, two snacks and a lunch are to be provided in accordance with the Canada Food Guide.

Brackendale Montessori is an allergen safe environment; therefore, no nut or nut products are to be brought into center.

Bagged lunches should include plenty of vegetables and fruit, whole grains, and protein to meet the Canada Food Guide Requirements (attached). Limit processed, food high in sugar and salt as they provide little to no nutritional value.

In the event any child forgets their lunch, or if the administration does not find the packed lunch suitable, then a phone call will be made either to replace the lunch or to notify parents that the school will be providing lunch and parents will be responsible for cost incurred which is \$7.00 / day.

Canada’s food guide recommendations

- **Positive and Responsive interactions between staff, children, and families**

At Brackendale Montessori we have an open communication policy between our teachers and families. We provide multiple opportunities for teacher – parent communications to take place.

- **Touch Base phone calls:** Calls made to parents at various time during the year to provide updates on behavior, academics or for parent to ask any questions.
- **Parent – teacher interviews:** 3 interviews per year are set up to discuss reports cards and academic standing or concerns.
- **Newsletters** – Newsletters are sent out to parent highlighting important events / dates.

- **Daily reports/logs** – Daily written logs are given to parents regarding toileting, naps, food, and activities.
- **Documentation boards** – Each class displays work for parents to see what is happening during their child's time at school.

Teachers encourage **positive and responsive relationships** with children by creating an environment that is inclusive and welcoming to all. They foster an atmosphere of cooperation, sharing and openness.

- **Encourage children to interact and communicate in a positive way and support their ability to self-regulate**

Positive language and guidance are used all times when communicating with children, parents or co teachers as a role modelling technique. Teachers are always working together to help children develop communication skills, foster independence, and problem-solving techniques.

To help support and encourage **self-regulation** – we create an environment that is welcoming, safe and child friendly.

- **Children's exploration, play and inquiry**

All staff will foster **children's exploration, play and inquiry** by providing a variety of activities and an environment rich in content, that encourages choices, and active play, supported by qualified, attentive, and interactive teachers.

- **Child initiated and adult supported experiences**

All Staff will **provide child-initiated and adult supported experiences**. The teachers will observe the children, documents and use that information to plan and create a positive learning environment and experiences that is based on the interests of the child and supported by all the adults in the childcare environment. All teachers will be responsible for introducing new ideas, interests, facts, concepts, skills, and experiences to widen the child's knowledge and life experiences.

- **Create positive learning environments which is inclusive of all children, including children with individualized plans**

All teachers use observations to plan and **create a positive learning environment** that is based on the interest of the children. We as educators reflect and understand that children are unique individuals by:

- Recognizing each child as having equal rights to participate in program activities, trips, and events.
- Recognizing and respecting the unique qualities of each child and family, including ancestry, culture, ethnicity, race, language, gender, gender identity, sexual orientation, religion, socio-economic status, family environment, and developmental abilities and

needs.

- Creating strategies that value the culture and languages of all children.
 - Establishing programming strategies to foster an inclusive learning environment in which every child can participate, including children with **individualized support plans**.
 - Collaborating with outside agencies and resources to help support individualized needs of the children based on support plans.
 - Viewing the diversity of children and families as an asset and planning programs to reflect differences and enrich the environment.
- **Incorporate indoor and outdoor play, as well as active play, rest, and quiet time, into the day, and give consideration to the individual needs of the children receiving childcare**

Every Full-time child will experience **indoor, and two hours of outdoor play** (weather permitting) daily, as well as a time **to rest and sleep if required, quiet and active times**, always being mindful of each child's needs and parental direction.

- **Foster the engagement of regular and ongoing communication with parents about the program and their children**

Regular and ongoing communication with parents is an important component. Communication may be in person, by phone, e-mail or through written and posted communication tools. Communication needs to come from all members of Brackendale Montessori.

- **Involve local community partners and allow those partners to support the children, their families, and staff**

Parents will be directed to resources outside of the center if necessary, and **local community partners** such as early year's services, speech therapists, support services, occupational therapists, counsellors, etc., this will be an important part of the centers support to all children and their families.

- **Continuous professional learning** for the staff at Brackendale Montessori is done by using the community as a valuable resource and having our teachers plan learning opportunities to engage the community in our programs. We seek out opportunity to share our knowledge and to learn from others in the community. Brackendale Montessori provides ongoing opportunities for educators to engage in critical reflection and discussion with others about pedagogy and practice, to support continuous professional learning. These learning experiences are shared with one another in our Monthly staff meetings and professional development day.

Annual Program Statement Review

All Teachers, volunteers and placement students must adhere to a number of policies and procedures, the Program Statement as well as Ministry, Fire and Health Regulations. All teachers, volunteers and placement students will review the Program Statement prior to working in program with the children and annually thereafter or upon any changes or modifications to the Statement. Annual review of the Program Statement and these policies and procedures ensure our educators and volunteers are knowledgeable and prepared to handle any situation.

Working Together

Brackendale Montessori's goal is to ensure the overall, health, safety, and well-being of each child while in our care. We look forward to working together with you the family in the best interest of your child(ren) to provide them with an individual and positive journey for a seamless entry into their community school or, a continued positive journey for those children already enrolled in their community school. Thank you for choosing to place your child with Brackendale Montessori; we have an open-door policy and are always available for feedback to ensure we are providing the best possible care.

Hours of Operation

Infant Program

Drop Off Times – Pickup Times:

Full Day (September to June)	7:00 AM – 6:00 PM
Full day (July and August)	7:30 AM – 5:30 PM

Toddler

Drop Off Times – Pickup Times:

Full Day (September to June)	7:00 AM – 6:00 PM
Full day (July and August)	7:30 AM – 5:30 PM

Preschool

Drop Off Times – Pickup Times:

Full Day (September to June)	7:00 AM – 6:00 PM
Full day (July and August)	7:30 AM – 5:30 PM
Core Day (Year-round)	8:30 AM – 4:00 PM

Private School: Grade 1 to 4

Drop Off Times – Pickup Times:

Full Day (September to June)	7:00 AM – 6:00 PM
Full day (July and August)	7:30 AM – 5:30 PM
Core Day (Year-round)	8:30 AM – 4:00 PM

The school doors open at 7:00/7:30 am am and close at 5:30pm/6:00 pm daily. Children are not permitted to be on site prior to 7 am as the opening staff member prepares the school for the day.

After 6:00 PM the extended care charges are \$1.00 for each minute following, per child.

This fee is to be paid in cash to the attending caregiver at time of pickup. Preparing for and making time for acclimate weather is something we all must account for when planning our day and responsibilities. Take into consideration our teachers have families to go home to and personal responsibilities to tend to.

When bringing a child to school, parents are expected to bring their child into the building and ensure that the child is under the supervision of a caregiver before leaving. Equally, parents are expected to come into the building when picking up their child. If a third party, not listed on your child's emergency contact list, is to pick up your child, please send us an email prior to the pick-up with the full name of the party picking up. At any time that parents are present, whether at school and/or any special school events, such as concerts, school trips, etc. The sole responsibility of the child is with the parent.

Contacting Brackendale Montessori

For general inquiries, please call during our office hours of operation, between 9:00 AM and 5:00 PM. If you are calling to notify us of your child's absence or your call is urgent, you may call during our extended hours. Our message center is reviewed frequently throughout the day; we will attempt to return your message within four hours, during our hours of operation. If you wish to speak to a teacher or spend time in a class to observe, please call to schedule an appointment.

Communication

Email will serve as our primary tool for communicating important school and classroom information to our parents. Through email we will be sending newsletters which will include information on school trips, current activities, and special events. Parent feedback is important to our school and our parents are always welcome to meet with either administration or teachers. Should you require a meeting, please contact our office to schedule an appointment. In order to ensure that all meetings are productive, parents, teachers and/or administration must be prepared. Impromptu meetings and doorway conversations are not conducive to productive communication.

Newsletters will be emailed to all parents. If you are not receiving the newsletter, please confirm your contact information with us. As with all contact information, it is the responsibility of the parent/guardian to notify the school of any change to email address(es). It is also the responsibility of the parent/guardian to print and submit any information or forms that are pertinent to their child(ren).

Safe Arrival and Dismissal Policy

Date Established: Dec 2023

Purpose

This policy and the procedures within help support the safe arrival and dismissal of children receiving care.

This policy will provide staff, students, and volunteers with a clear understanding of their roles and responsibilities for ensuring the safe arrival and dismissal of children receiving care, including what steps are to be taken when a child does not arrive at school as expected, as well as steps to follow to ensure the safe dismissal of children.

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for policies and procedures regarding the safe arrival and dismissal of children in care.

Additional Policy Statements

- **Unauthorized Person**

If a person arrives at the school to pick up a child who is not listed on the emergency contact, staff will notify the office immediately. The supervisor or designate will ask the person to wait, while gaining verbal permission from the parent or guardian. The conversation will be documented in the office communication book.

- **Court Order**

This applies if a person arrives to pick up a child but has a court order on file that states that they are not allowed to pick up. The supervisor or designate will explain the above procedure and that they are not listed as authorized to pick up. The supervisor or designate will designate a staff to call the parent/guardian to let them know that the person with a court order is on the premises. If the person in question leaves peacefully, the situation will be documented in the office communication book. If the situation escalates to where the person with the court order attempts to forcibly remove the child, the supervisor or designate will call the police. The supervisor or designate will then follow instructions provided by the police.

- **Incapable of Providing Safe Care**

We never release children to a person who appears incapable of providing safe care to a child. If a parent/ guardian or authorized person arrives to pick up a child but appears incapable of providing safe care, the supervisor or designate will speak to the person; suggest that they may need assistance. The supervisor or designate will call or designate a staff member to call an alternate authorized person to come to the school and pick up the child.

Procedures

Accepting a child into care

1. When accepting a child into care at the time of drop-off, program staff in the room must:
 - greet the parent/guardian and child.
 - Do a preliminary health check and ask if there are any changes to the child's pick-up procedure (i.e., someone other than the parent/guardian picking up). Where the parent/guardian has indicated that someone other than the child's parent/guardians will be picking up, the staff must confirm that the person is listed Emergency contact form or where the individual is not listed, ask the parent/guardian to provide authorization for pick-up in writing (e.g., note or email).
 - document the change in pick-up procedure in daily communication log & sign the child in on the classroom attendance record.

Where a child has not arrived in care as expected

1. Guardians are to communicate a child's absence through an absent form provided via email. Where a child does not arrive at the childcare center and the parent/guardian has not communicated a change in drop-off (e.g., left a voice message, email or advised the closing staff at pick-up), the staff in the classroom must:
 - Inform the office administration by 10:00 am and the office must commence contacting the child's parent/guardian no later than 10:30 am.
 - **1st attempt at 10:30 am:** Office administration will send out written communication via email.
 - **2nd attempt at 12:00 pm if no response:** Office administration will call parent/guardian and/or emergency contact and leave a message.
2. Once the child's absence has been confirmed, program staff shall document the child's absence on the attendance record and any additional information about the child's absence in the daily written record.

Releasing a child from care

1. The staff who is supervising the child at the time of pick-up shall only release the child to the child's parent/guardian or individual that the parent/guardian has provided written or verbal authorization that the childcare may release the child to. Where the staff does not know the individual picking up the child (i.e., parent/guardian or authorized individual),
 - confirm with another staff member that the individual picking up is the child's parent/guardian/authorized individual.
 - where the above is not possible, ask the parent/guardian/authorized individual for photo identification and confirm the individual's information against the parent/guardian/authorized individual's name on the child's file or written authorization.

Where a child has not been picked up as expected (before center closes)

1. Where a parent/guardian has previously communicated with the staff a specific time or timeframe that their child is to be picked up from care and the child has not been picked up by 6:00 pm, the supervisor or administrative staff shall contact the parent/guardian via phone call and advise that the child is still in care and has not been picked up.
 - Where the staff is unable to reach the parent/guardian, administration will call again and leave a message. Where the individual picking up the child is an authorized individual and their contact information is available, the staff shall proceed with contacting the individual to confirm pick-up as per the parent/guardian's instructions or leave a voice message to contact the center.
 - Where the staff has not heard back from the parent/guardian or authorized individual who was to pick up the child the staff shall contact emergency contacts on file, wait until program closes and then refer to procedures under "where a child has not been picked up and program is closed")

Where a child has not been picked up and the center is closed

1. Where a parent/guardian or authorized individual who was supposed to pick up a child from care and has not arrived by 6:00 pm , staff shall ensure that the child is given a snack and activity, while they await their pick-up.
2. One staff shall stay with the child, while an administrative staff proceeds with calling the parent/guardian to advise that the child is still in care and inquire their pick-up time. In the case where the person picking up the child is an authorized individual, the staff shall contact the parent/guardian first and then proceed to contact the authorized individual responsible for pick-up if unable to reach the parent/guardian.
3. If the staff is unable to reach the parent/guardian or authorized individual who was responsible for picking up the child, the administrative staff will contact the emergency contacts on file.
4. Where the staff is unable to reach the parent/guardian or any other authorized individual listed on the child's file (e.g., the emergency contacts) by 6:30 pm the staff shall proceed with contacting the local Children's Aid Society (CAS) at **905-433-1551** Staff shall follow the CAS's direction with respect to next steps.

Dismissing a child from care without supervision procedures

Staff will only release children from care to the parent/guardian or other authorized adult. Under no circumstances will children be released from care to unsupervised.

Promptness

It is our intention to instill in the children a sense of order and punctuality. It is important that from a young age, they learn to recognize and appreciate the importance of attending school every day on time. So please ensure your child is brought to school promptly. A child arriving late is disruptive to the learning process of their peers, and they will miss out on the excitement generated by the introduction of new topics. If your child is late more than three times per month your child could be suspended. Continued infractions can lead to withdrawal from the program.

School Closures Due to Inclement Weather Conditions

The Principal or Director may authorize a school closure or a delay in opening (late start) should severe weather conditions or inclement weather, including a snow/ice storm develop during the evening/overnight/early morning, thus having an impact on the safety of children, parents and staff when traveling and arriving to school. In addition, should extreme weather conditions develop during the day, the Principal or Director may decide to close the school earlier, thus an earlier dismissal time. In these conditions, parents are required to make alternative arrangements to have their child picked up from the school by the stated time. As weather conditions vary from area to area, please assess your own safety conditions before traveling.

In such cases, parents are required to find or make the necessary alternate care arrangements for their child. Such alternate care arrangements or plans may include having a parent be prepared to leave work early, having relatives or friends your child, having another parent pick up your child (must authorize in writing)

In the event that school is canceled, or there is a late start or an early dismissal, events scheduled to take place at school, or any location will also be canceled. Please note that no refunds or reduction of fees will be provided under any of the above circumstances; this will include all predetermined closure dates as posted in our holiday schedule at the start of each school year.

We will make every attempt to inform parents promptly of school closures, late school starts, and/or early dismissals, but it is parents' responsibility to contact the school in inclement weather conditions and be prepared for such events. Since the school schedule begins by 7:00 a.m. all cancellation decisions will be made by 6:30 a.m. These will be emailed to all families.

Early Dismissals

The Principal or Director may authorize an early school dismissal time at his/her discretion. Early dismissal typically may be deemed necessary to accommodate the preparation of concerts or other such special events. Other circumstances may arise throughout the school year that may warrant an early dismissal. In the event of an early dismissal parents will be notified with as much notice as possible to the time and day of the dismissal.

Admission

Students entering our Elementary Program (Level/Grade 1 – 4) will be academically assessed, interviewed and upon acceptance, then placed into an appropriate Grade Level at the sole discretion of the school. For Casa Level (2.5 years to 6 years), teachers will perform a one-

week assessment which will be shared with the parents. Placement will be determined after the completion of this one-week assessment.

Age/Program Groups

Infant Program

(9 – 18 months) – Ratio: 1 staff: 3 infants

Our Infant program is focused on providing a warm and welcoming atmosphere where educators provide flexible care based on the needs of the family. Infants are nurtured through a variety of activities that include – sensory, arts and crafts, music, movement and much more.

Toddler Program

(18 months – 2.5 years) – Ratio: 1 staff: 5 Toddlers

Our Toddler program is geared towards allowing children to freely explore and move within their environment. This is a period of tremendous development and growth. It is a time where each impression from the physical environment molds their emotional and mental development. These impressions foster the child's independence, language development and motor movement.

Casa Program

- **(2.5 years – 5.5 years) – Ratio: 1 staff: 8 Preschool**

Our preschool program offers a variety of activities and experiences based on the skills and interest of the children. They are designed to put children at ease by giving them freedom in a safe place to socialize, grow, and learn.

- **(3.8 years to 6 years) – Ratio: 1 staff: 13 Private school/kindergarten**

Our educational program is based on the premise that young children have an innate ability to flourish with gentle guidance and the freedom to work at their own pace. Each child is presented with a calm, orderly prepared environment that cultivates cognitive, physical, social, and emotional needs

Private Elementary Program – Grades 1 – 3

(6 years and older) – Ratio: 1 staff: 20 school age

Our elementary program is individually catered to each child and is filled with hands on activities that cultivate tenacious learners. The program develops a global perspective which nurtures exploration of our natural and social environment, with emphasis on critical thinking, problem solving and research skill development. Students expand their knowledge in a wide range of academic subjects; building on skills and social abilities that they developed in the primary classrooms.

Canada-Wide Early Learning & Child Care

Brackendale Montessori has **not enrolled** in the CWELCC System.

Monthly Fees

INFANT – FULL TIME	\$ 1560.00
TODDLER - FULL TIME	\$ 1510.00
PRECASA – FULL TIME	\$1480.00
CASA – FULLTIME	\$ 1325.00
LOWER ELEMENTARY – FULL TIME	\$ 1375.00
ONE TIME – REGISTRATION FEE	\$ 300.00

Fees are subject to change based on the needs of the school

Placements & Transition

All children, from Infants to Grade 4 inclusive, will be placed into a program, classroom, and level at the sole discretion of the school. This includes the scheduling and nature of the transition from one program/level to another. The school does not require parental consent for a child’s placement, promotion, or transition into another program/level. The school reserves the final right at its sole discretion to determine each child’s placement, promotion, and transition in the best interest of the child(ren), the class, and the school. Teachers may be transferred, relocated, rescheduled, re-assigned to other classrooms, at the sole discretion of the school at any time.

Supervision Policy for Volunteers, Parents, and Placement Student

Brackendale Montessori is committed to providing a high quality, safe and secure environment for all children enrolled in our programs. The safety and well-being of children is Brackendale Montessori’s highest priorities.

Brackendale Montessori may have volunteers and/or Early Childhood Education students working within the organization along with staff throughout the year. At all times, volunteers and placement students must be under the direction and supervision of Brackendale Montessori staff.

No child or children will be supervised by any person less than 18 years of age

No child or children will be supervised by someone who is not an employee of Brackendale Montessori

Only employees of Brackendale Montessori will have direct unsupervised access to children.

Study Skills & Homework

At Brackendale Montessori, we believe that homework should:

- Provide parents with insight and information into their child’s learning experiences and invite their participation in appropriate and supportive ways.
- Support in-school experiences through related out-of-school activities, assignments, and practice those skills taught at school.
- Encourage the development of self-discipline, organization, good work habits, sense of responsibility and time management strategies.
- Help to develop positive and enthusiastic attitudes toward independent and life-long learning.
- Assist students to prepare for subsequent planned learning activities, research questions and projects.

- New homework will only be assigned when previous homework has been handed in completed.

Students are responsible for their own learning by:

- Completing the assigned work to the best of their ability.
- Meeting timelines for homework completion.
- Developing a homework routine.
- Locating appropriate resources and materials.
- Asking for assistance if necessary.
- Accepting the consequences if they do not complete class work or homework on time; and
- Following directions by teachers or staff.

Teachers/the School support the students and parents by:

- Coordinating a well-balanced amount and variety of homework among teachers and subject areas.
- Providing clear guidelines, expectations, and standards at the beginning of each school year.
- Providing consistent follow-up of assigned work.
- Regularly reviewing notebooks to ensure that they are complete and accurate.
- Encouraging students to take advantage of time provided for extra assistance.
- Acknowledging school and homework through positive recognition.
- Maintaining communication with parents; and
- Informing parents of their child's repeated non-compliance with school expectations and/or homework expectations.

Parents assist their child by:

- Having necessary materials and resources available.
- Providing effort, achievement, and a positive attitude.
- Monitoring homework.
- Periodically reviewing their child's notebooks at home.
- Supporting school expectations and standards.
- Maintaining communication with the school; and

Elementary Private school – Grade 1 to 3

Students will be given homework every week. Homework is an important part of the daily routine of the Brackendale Elementary student.

Report Cards and Parent Teacher Conferences

Reports are sent home in December, March and June for our Casa to Elementary students. We feel that we will best serve your child if open communication is kept between the teacher and parents. Besides the Parent-Teacher interviews, conferences can be scheduled to discuss your child's development if and when required and can be arranged with the teacher. Any concerns that develop at any time should be resolved at once. Should we note changes in your child academically, emotionally or in their behavior, we shall contact you, and hope that you will also keep us informed of similar changes in your child, if and when necessary.

Parent Issues and Concerns:

Parents/guardians are encouraged to take an active role in our childcare center and regularly discuss what their child(ren) are experiencing within our program. As supported by our program statement, we support positive and responsive interactions among the children, parents/guardians, childcare providers, and staff, and foster the engagement of and ongoing communication with parents/guardians about the program and their children. Our staff are available to engage parents/guardians in conversations and support a positive experience during every interaction.

All issues and concerns raised by parents/guardians are taken seriously by Brackendale Montessori and will be addressed. Every effort will be made to address and resolve issues and concerns to the satisfaction of all parties and as quickly as possible.

Issues/concerns may be brought forward verbally or in writing. Responses and outcomes will be provided verbally, or in writing upon request. The level of detail provided to the parent/guardian will respect and maintain the confidentiality of all parties involved.

An initial response to an issue or concern will be provided to parents/guardians within one business day(s). The person who raised the issue/concern will be kept informed throughout the resolution process.

Investigations of issues and concerns will be fair, impartial, and respectful to the parties involved.

Confidentiality

Every issue and concern will be treated confidentially, and every effort will be made to protect the privacy of parents/guardians, children, staff, students, and volunteers, except when information must be disclosed for legal reasons (e.g., to the Ministry of Education, College of Early Childhood Educators, law enforcement authorities or a Children's Aid Society).

Conduct

Our center maintains high standards for positive interaction, communication, and role-modeling for children. Harassment and discrimination will therefore not be tolerated by any party.

If at any point a parent/guardian, provider or staff feels uncomfortable, threatened, abused, or belittled, they may immediately end the conversation and report the situation to the supervisor and/or licensee.

Concerns about the Suspected Abuse or Neglect of a child

Everyone, including members of the public and professionals who work closely with children, is required by law to report suspected cases of child abuse or neglect.

If a parent/guardian expresses concerns that a child is being abused or neglected, the parent will be advised to contact Durham Children's Aid Society ([\(905\) 433-1551](tel:9054331551)).

Persons who become aware of such concerns are also responsible for reporting this information to CAS as per the “Duty to Report” requirement under the *Child and Family Services Act*.

For more information, visit
<http://www.children.gov.on.ca/htdocs/English/childrensaid/reportingabuse/index.aspx>

Procedures

Nature of Issue or Concern	Steps for Parent and/or Guardian to Report Issue/Concern:	Steps for Staff and/or Licensee in responding to issue/concern:
<p>Program Room-Related</p> <p>E.g.: schedule, sleep arrangements, toilet training, indoor/outdoor program activities, feeding arrangements, etc.</p>	<p>Raise the issue or concern to</p> <ul style="list-style-type: none"> • the classroom staff directly <p>or</p> <ul style="list-style-type: none"> • the supervisor or licensee. 	<ul style="list-style-type: none"> • Address the issue/concern at the time it is raised <p>or</p> <ul style="list-style-type: none"> • Arrange for a meeting with the parent/guardian within 1 business days. <p>Document the issues/concerns in detail. Documentation should include:</p> <ul style="list-style-type: none"> • the date and time the issue/concern was received. • the name of the person who received the issue/concern.
<p>General, Centre- or Operations-Related</p> <p>E.g.: childcare fees, hours of operation, staffing, waiting lists, menus, etc.</p>	<p>Raise the issue or concern to</p> <ul style="list-style-type: none"> • the supervisor or licensee. 	<ul style="list-style-type: none"> • the name of the person reporting the issue/concern. • the details of the issue/concern; and • any steps taken to resolve the issue/concern and/or information given to the parent/guardian regarding next steps or referral.
<p>Staff-, Duty parent-, Supervisor-, and/or Licensee-Related</p>	<p>Raise the issue or concern to</p> <ul style="list-style-type: none"> • the individual directly <p>or</p> <ul style="list-style-type: none"> • the supervisor or licensee. <p>All issues or concerns about the conduct of staff, duty parents, etc. that puts a child’s health, safety and well-being at risk should be reported to the supervisor as soon as parents/guardians become aware of the situation.</p>	<p>Provide contact information for the appropriate person if the person being notified is unable to address the matter.</p> <p>Ensure the investigation of the issue/concern is initiated by the appropriate party within 2 business days or as soon as reasonably possible thereafter. Document reasons for delays in writing.</p> <p>Provide a resolution or outcome to the parent(s)/guardian(s) who raised the issue/concern.</p>
<p>Student- / Volunteer-Related</p>	<p>Raise the issue or concern to</p> <ul style="list-style-type: none"> • the staff responsible for supervising the volunteer or student <p>or</p> <ul style="list-style-type: none"> • the supervisor and/or licensee. <p>All issues or concerns about the conduct of students and/or volunteers that puts a child’s health, safety and well-being at risk should be reported to the supervisor as soon as parents/guardians become aware of the situation.</p>	

Escalation of Issues or Concerns: Where parents/guardians are not satisfied with the response or outcome of an issue or concern, they may escalate the issue or concern verbally or in writing to the supervisor.

Issues/concerns related to compliance with requirements set out in the *Child Care and Early Years Act., 2014* and Ontario Regulation 137/15 should be reported to the Ministry of Education's Child Care Quality Assurance and Licensing Branch.

Issues/concerns may also be reported to other relevant regulatory bodies (e.g., local public health department, police department, Ministry of Environment, Ministry of Labor, fire department, College of Early Childhood Educators, Ontario College of Teachers, College of Social Workers etc.) where appropriate.

Ministry of Education, Licensed Child Care Help Desk: 1-877-510-5333 or childcare_ontario@ontario.ca

Health and Safety – Parental Guidelines

Creating trusting relationships with the parents at Brackendale Montessori is the first step in preventing illness in our environment. Together we can implement good hygiene practices that will minimize the spread of illness. This partnership between parents and teachers will ensure that important, relevant health or illness information is appropriately communicated. All children coming to Brackendale Montessori must go out for recess, weather permitting. If your child is too ill to participate in recess, then your child is too ill or fatigued to be attending school. To protect all our children, Brackendale Montessori reserves the right to judge when to send a child home because of illness.

- Staff members are trained in First Aid and can handle minor injuries but, should an emergency occur, the parents will be notified immediately. Children absent from school with a contagious illness may not return without a signed statement from a physician indicating that the child is no longer contagious. Medications must be clearly labeled and a medical form is signed. The school is not able to administer non-prescription drugs.
- Fire drills are held every month. Children are carefully instructed on what to do in case of fire or emergency. Evacuation plans are posted in the school for staff and everyone concerned.
- Brackendale's sunscreen policy requires that children must be appropriately dressed for the season; wide-brimmed hat that protects the child's face, neck and ears is encouraged. Protective light clothing should be worn. The sunscreen provided must be labeled and the first application of sunscreen must be applied by parents before arriving at school (as mandated by Durham Health Department). Staff will ensure that children have sunscreen applied to exposed skin throughout the day. Staff must wash their hands between applications to each child or wear gloves. ***Sunscreen that may contain traces of peanut/nuts oil ingredients are not acceptable due to student allergies, please check ingredients and expiry date before bringing it to school.***
- Hand washing is an important factor in communicable disease control. Caregivers will always wash their hands after toileting a child and before handling food. Children should wash their hands after using the toilet and before eating. Written hand washing routines are posted above the sinks to encourage consistency in hand washing practices.
- **By the age of 3.5 years any child enrolled at Brackendale Montessori must be completely toilet trained.** A child that is not toilet trained by this age can be held back in their program.

Brackendale Montessori will follow the advice provided by the Durham health department when establishing health and safety protocols, including how to implement any provincial or local public health direction on health and safety guidance.

Immunization

We are required to collect and retain up-to-date immunization for children in our care.

If your child has not been immunized, please provide The Statement of Medical Exemption Form completed by your health practitioner. You may also complete the Statement of Conscience or Religious Belief which requires a notarized affidavit. If you cannot provide either of these documents, we are unable to provide you with childcare.

If an outbreak occurs, the classroom in which the outbreak occurred will be closed and the rest of the facility will remain open. Any child who is not adequately immunized, regardless of legal exemption, will not be able to attend care unless the child receives the required vaccine or until the outbreak is over.

Daily cleaning and sanitization procedure

Policy

Brackendale Montessori is committed to providing a safe and healthy environment for children, families, and employees. We will take every reasonable precaution to prevent the risk of communicable diseases. This is a mitigation of risk not an elimination of risk.

Purpose

To ensure that all employees are aware of, and adhere to, the directive established by our local health departments and Children's Services regarding cleaning and disinfecting. This policy applies to all employees, students, community members, and any other persons engaged in business with us.

Definitions

Cleaning: refers to the physical removal of foreign material (i.e., dust, soil) and organic material (i.e., blood, secretions, microorganisms). Cleaning removes, rather than kills microorganisms. Warm water, detergent, and mechanical action (i.e., wiping) is required to clean surfaces. Rinsing with clean water is required to complete the cleaning process to ensure the detergent film is removed.

Sanitize: is defined as the reduction of microorganisms to levels considered safe by public health standards. Sanitizing takes place after the cleaning step because it is most effective on a minimally soiled surface.

Disinfecting: describes a process completed after cleaning in which a sanitizer, is used to kill most disease-causing microorganisms. In order to be effective disinfectants must be left on a surface for a period of time ("contact time"). Contact times are generally prescribed by the product manufacturer. Any items children may come into contact with, may require a final rinse after the required contact time is observed.

Procedures

All products including cleaning agents and disinfectants must be kept in a secured location that is out of reach of children.

I. Cleaning and Disinfecting surfaces and items

- **High contact surfaces**

- Surfaces that are frequently in contact with hands such as light switches, shelves, doorknobs, toilet seat and sinks will be cleaned and disinfected at least 2 times in the day or after each use.
- Office equipment (photocopier, phones, desks etc.) will be sanitized after each use.

- **Low contact surfaces**

- Surfaces such as windows, doors, ledges etc. will be cleaned and disinfected daily

- **Diaper tables and toilets**

- Regular diapering and toileting procedures will be followed ensuring proper cleaning and disinfecting between diaper changes and toilet process is conducted. We will also increase the frequency of our cleaning schedule for toilets and toilet seats.

- **Materials & Toys**

- Toys & Montessori Materials should be cleaned and disinfected between users or at least 2 times per day.

II. Shared Space & Equipment

The risk associated with transmission with shared objects is low. Instead of regular cleaning of shared objects and spaces, the focus should be on regular hand hygiene and respiratory etiquette to reduce the risk of infection related to shared equipment.

- **Hand Hygiene and Respiratory Etiquette**

- Appropriate hand hygiene and respiratory etiquette are among the most important protective strategies.
- Childcare staff and students on educational placement should be trained and able to assist children on appropriate hand hygiene and respiratory etiquette, including the use of alcohol-based hand rub (ABHR), and reinforcing its use.
- **Hand hygiene** should be conducted by anyone entering the childcare setting and incorporated into the daily schedule at regular intervals during the day, above and beyond what is usually recommended (for example, before eating food, after using the washroom).
- Childcare staff and students on educational placement and children will be provided with targeted, age-appropriate education in proper hand hygiene and respiratory etiquette.
- Age-appropriate posters or signage will be placed around the child care setting.
- Soap and water are preferred as the most effective method and least likely to cause harm if accidentally ingested.

- Safe placement of the ABHR to avoid consumption is important, especially for young children.
- Support or modifications should be provided to allow children with special needs to regularly perform hand hygiene as independently as possible.
- Tissues and lined, no-touch waste baskets (for example, foot pedal-operated, hand sensor, open basket) are to be provided, where possible.
- ABHR with a minimum 60% alcohol concentration must be available (60-90% recommended, including ideally at the entry point to each childcare room) and/or plain liquid soap in dispensers, sinks and paper towels in dispensers.
- **Where an individual is suspected of having COVID-19 in the childcare setting:**
 - High touch surfaces and areas of contamination (washroom, cubbies, tables, cabinets etc. will be cleaned and disinfected.
 - Shared materials and personal belongings will be removed from the space and sealed for a period of 2 weeks and will be cleaned and disinfected prior to returning to use.
 - All cleaning and disinfection will be conducted with soap/water and then Bleach/water mixtures.
 - Staff performing cleaning and disinfection must wear full PPE (Gowns, gloves, mask, safety goggles)
 - All waste must be in sealed and disposed off properly to avoid any form of transmission.

III. Toy & Montessori Material Disinfection

The disinfection of toys and Montessori material is vital to ensuring the health and safety of children, as it reduces the potential spread of germs and viruses among children and those who may encounter them.

All toys that are plush will be removed and not used in play, these include stuffed animals, hand puppets, cloth toys, dramatic materials etc. All porous toys and material that cannot be effectively cleaned and disinfected must be removed and not used in play.

Toy & Montessori Material Washing Procedures – Manual Cleaning and Disinfection

Step 1: Inspect all toys and Montessori material to ensure there are no broken parts or jagged edges

Step 2: Wash with soap and water, rinse with clean water & air dry.

Step 3: Disinfect by either immersing in a mix of bleach and water or spray the bleach and water solution on the toy/Montessori material and let sit for 10 minutes, then air dry

Handling used Toys & Montessori Materials

Items that have become visibly dirty or that have come into contact with body fluids (e.g., toys that have been mouthed) should be taken out of circulation, cleaned, and disinfected immediately. Toys that cannot be cleaned and disinfected immediately should be placed in a designated dirty/mouthed toy bin. The bin should be clearly labeled and inaccessible to children.

Documentation of record of cleaning

Licensees are recommended to keep a cleaning and disinfecting log to track and demonstrate cleaning schedules.

Review and monitor procedure

Licensee will review existing practices to determine if changes or enhancements may be required, this includes:

- a. Frequency of cleaning and disinfecting
- b. Areas to clean and disinfect.
- c. Choice of cleaning products
- d. Signage

Expectations for adults in childcare:

- *All staff, parents and visitors* are encouraged to wear masks while inside the childcare premises. Masking is now optional as per Durham public Health.
- Masking is encouraged while on premises during pick up and drop off.

Expectation for children:

All children are encouraged to wear masks, while inside the childcare premises. Masking is now optional as per Durham public Health.

Monitoring and responding to reports of COVID 19 symptoms in childcare

Individuals experiencing symptoms should not attend childcare. Individuals who have tested positive on a [COVID-19 test](#) (PCR, rapid molecular, or rapid antigen) should self-isolate immediately and follow isolation guidance as outlined in provincial [COVID-19 screening tool](#), the [COVID-19 integrated testing & case, contact and outbreak management interim guidance: Omicron surge](#) document, and the [Interim guidance for schools and child care: Omicron surge](#), and any additional guidance from their local public health unit for isolation and returning to a child care setting.

Note that individuals do not need to provide a medical note or proof of negative result to return to the program.

Protocols for Children or Staff that become ill during care

Policy Statement

Brackendale Montessori is committed to providing a safe and healthy environment for children, families, and employees. We will take every reasonable precaution to prevent and mitigate the risk of communicable diseases.

If a child begins to experience symptoms of COVID-19 while at school:

- The ill child must be immediately separated from others, Parents/guardians must be contacted for pick-up of symptomatic children.
- Hand hygiene and respiratory etiquette should be practiced while the ill individual is waiting to be picked up.
- The ill individual and their parent or guardian should be advised to use the [online self-assessment tool](#) and follow instructions which may include seeking medical advice and/or going for testing for COVID-19.
- Regular childcare operation can continue unless directed otherwise by the local public health unit.
- An ill individual who has a known alternative diagnosis provided by a health care professional may return to childcare if they do not have a fever and their symptoms have been improving for at least 24 hours, or 48 hours if vomiting or experiencing diarrhea.

If a staff member becomes ill while at the center they should, if possible, isolate themselves immediately until they are able to leave the premise.

A staff person who presents with symptoms of ill health must notify their supervisor and follow isolation protocols.

Protocols for Children or Staff that become ill at home

If your child is showing ill symptoms at home (e.g., sore throat, stomach-ache, headache, cough, lethargy, change in appetite) your child should not attend care and remain home and seek medical advice from your physician.

If you or your child are/have been managed by Public Health, (e.g., confirmed cases of COVID-19, household contacts of cases) follow instructions from the health department to determine when to return to the facility.

Staff can use the following [online self-assessment tool](#) to ensure awareness of possible symptoms of COVID 19. Any staff who suspects that they have an infectious disease should not attend the childcare program, particularly if their symptoms include any outlined in the COVID-19 screening.

Isolation Guidelines

All staff, parents and visitors should follow the screening tool protocol for isolation guidelines.

Outbreak Management

In response to the evolving situation related to the COVID-19 Omicron (B.1.1.529) variant of concern, the Ministry of Health has provided interim public health guidance on case, contact, and outbreak management for schools and childcare settings.

The [COVID-19: interim guidance for schools and child care: Omicron surge guidance](#), which can be found on [the Ministry of Health's website](#), provides the direction for local public health units on the management of COVID-19 cases, contacts and outbreaks in child care settings.

Public health directed cohort-based dismissals are no longer likely to occur in childcare settings. Unless specific direction is provided by the local public health unit, closures are at the discretion of the licensee. Licensees are encouraged to communicate clearly with families and staff so that they are aware of any closures and how they may be impacted.

Communication of COVID 19 outbreak with parents, families, and staff

In the event of a confirmed case or an outbreak of COVID 19 – Parents, Families and staff will be informed via email. It will include information about next steps, school closure and sanitizing procedures if needed.

No personal information will be shared with families unless we are directed to do so by Durham public health for the purpose of contact tracing.

Staff Training

- I. Brackendale Montessori will ensure that training is provided to all childcare staff/providers on the health, safety and other operational measures outlined in this document plus any additional local requirements in place. Staff training will be on going as updates are made to this document.
- II. Training will include instruction on how to; thoroughly clean the space and equipment, proper use of PPE, safely conduct daily screening, keep daily attendance records, and proceed in case someone becomes sick or symptomatic of COVID-19.

Operational Guidelines during COVID 19

Pick up and drop off procedure

Parents are welcome to pick up and drop off children directly to the classrooms.

We encourage all families/ visitors entering the premise to wear a mask. If you are experiencing symptoms – follow the guidelines as per the screening tool.

Ventilation

Licensees are encouraged to implement best practices and measures to optimize ventilation (see Public Health Ontario's guidance: Heating, Ventilation and Air Conditioning (HVAC) Systems in Buildings and COVID-19). Adequate ventilation should be provided by opening

windows, moving activities outdoors when possible, and through mechanical ventilation including HVAC systems.

Heating, ventilation, and air conditioning systems (HVACs) and their filters are designed to reduce airborne pollutants, including virus particles, when they circulate through the system.

- Ensure HVAC systems are in good working condition.
- Keep areas near HVAC inlets and outlets clear.
- Arrange furniture away from air vents and high airflow areas.
- Avoid re-circulating air.

While ventilation is important, it must be used along with other public health measures. There is not one public health measure that can guarantee protection from COVID-19; multiple strategies are needed.

Staff & School Accreditation

Brackendale Montessori is a CCMA applicant school that adheres to the traditions first introduced by Dr. Montessori. We are dedicated to providing a true Montessori based experience that will be enjoyable, educational, and last a lifetime. All our teachers have successfully completed an Early Childhood Education (ECE) and/or Early Childhood Assistant (ECA) Program or Montessori training that is recognized by Montessori Accreditation Council for Teacher Education (MACTE) and/or Association of Montessori International (AMI). All staff members are trained in First Aid and CPR. MACTE and AMI are the leading international governing bodies that assure your child's instructors meet the exact standards of Dr. Montessori.

Emergency Management Policy

Emergency at Brackendale Montessori means an urgent or pressing situation in which immediate action is required to ensure the safety of children and adults in the center. Parents/families of children will be notified by office administration via email of the emergency and where children can be picked up. The information given to families will be clear and families are to ensure immediate pick up of children.

Emergency Evacuation Location:

1501 Harwood Ave. North (neighbor directly north of us)

Responsibilities of Staff in Case of an Emergency

- Quickly scan the space around you looking for any potential hazards. Report any findings to the Supervisor.
- Account for all children. Conduct a head count and ensure accurate attendance records. Attendance records must be kept with staff. Take the attendance/ emergency contact Information book.
- Gather all medications and any other essential needs of children or adults – if accessible.
- Any extra staff (Cleaner, French Teacher, Volunteer.) not on program with the children should assist with child(ren) with special needs and/or go to the infant room to assist with the evacuation.
- Once outside the building, take children to the designated area and conduct a head count matched to the attendance records to ensure all children are outside. Wait for the Supervisor to provide further directions.

- Provide activities to reduce stress to children (i.e., circle, songs, games) and maintain appropriate levels of supervision.
- Document children being picked up and by whom.

Responsibilities of Supervisor in Case of an Emergency

- The Supervisor will contact local emergency response agency.
- Do a final check - ensure all children have been removed from the center (check all washrooms, closets/storage areas, cloak rooms, kitchen/laundry rooms and playgrounds/play structures etc.).
- Coordinate all actions with emergency authorities, giving them as much information as possible.
- Designate one staff member to wait outside and direct emergency vehicles such as fire trucks and ambulances to your location (if applicable).
- Take direction from Police/Emergency Authorities once they arrive. If requested, stay at the center with Police or another Emergency Authority.
- **Notify families of the situation and evacuation location for immediate pick up of children. (Supervisor may designate a staff responsible for calling families etc. if requested to stay with emergency authorities).**
- The Supervisor will debrief staff, children, and parents/guardians after emergency.
- The Supervisor will ensure access to additional support, including consideration of special medical needs, be provided in respect of any child or adult who may have experienced distress during the emergency.
- When emergency has been eliminated, normal activities should resume as soon as possible in order to provide an environment that can help ensure the health, safety, and normalcy for the children. Providing a familiar and safe environment and a regular routine gives a sense of security.

Surveillance Cameras

The purpose of the surveillance cameras installed at Brackendale Montessori is to provide a form of security and general control over the operations at the school.

The images from the security cameras are routinely monitored and are stored for the purpose of review in the event that a concern is brought to our attention. Only those individuals responsible for the system administration of the security system will have full access to the stored images.. Maintenance and use of the security cameras and related equipment will be monitored and enforced solely at the discretion of Brackendale Montessori.

Access will be provided whenever required by law or a court order. No other use will be made of the images without appropriate advance approval from Brackendale Montessori's administration. Such decisions are at the sole discretion of Brackendale Montessori administration.

Child and Family Services Act

“Every person who, in the course of his/her professional duties, has reason to believe that a child is being abused, or suspects that a child may have suffered abuse, shall immediately report the suspicion and the information on which it is based to a Children’s Aid Society.” (Ontario Child and Family Services Act, Section 68, Paragraph 3) Under new definitions in the Act, child abuse includes physical, verbal, emotional and sexual abuse, as well as lack of reasonable care.

As Educators, we strive to promote the protection and wellbeing of our students. If we believe that a child is, or may be, in need of protection, **we are obligated by law** to report the suspicion to Children's Aid Society.

The Child and Family Service Amendment Act require a person to report to a child welfare agency if he or she has reasonable grounds to suspect that a child may be in need of protection. The Principal/Director of a school, or teacher, who fails to report suspected abuse, is guilty of an offense and is contravening internal policies. Brackendale Montessori and its employees will respect our policies and the legislation and be governed by it.

Serious Occurrence Policy

Serious occurrence reports are completed fully and in a timely manner and documented on the Child Care Licensing System (CCLS) for the Ministry of Education. Parents/guardians are immediately informed when their children are involved in a serious occurrence. Brackendale Montessori will always post a Serious Occurrence Notification Form near our license when/if a serious occurrence happens for a period of 10 business days.

Sleep Supervision Policy and Procedures

Children's sleep and rest play an integral part in a child's well-being and development. The purpose of this policy and procedures described within is to provide staff, students, volunteers and parents with rules and procedures we follow to safeguard children from harm, injury or death while sleeping.

- Children will be provided with the opportunity to sleep or engage in quiet activities based on their needs.
- Children under 12 months of age will be placed on their backs for sleep to align with the recommendations set out in Health Canada's document entitled "[Joint Statement on Safe Sleep: Preventing Sudden Infant Deaths in Canada](#)".
- Children under 18 months of age will be provided time to sleep based on their individual schedules and will be assigned to a crib.
- Brackendale staff will avoid the use of loose bedding or soft objects in your baby's crib. Things like comforters, quilts, blankets, infant pillows, adult pillows, foam padding, stuffed toys, bumper pads, and sleep positioners should not be in your baby's sleeping area as they pose an entanglement, entrapment, strangulation, and suffocation hazard to infants.
- All children from infants to preschool will be monitored during sleep times to look for and identify signs of distress and implement immediate responses to protect the health and safety of children.
- All children 18 months and older will be provided time to sleep for a period of no more than two hours each day and will be assigned to a cot.
- Children 18 months and older (Toddler/Preschool) can use light breathable blankets while on a cot – Sleep sacks and wearable blankets are not allowed on a cot as it can be a hazard in the event of an emergency.

Smoke Free Environment

No person shall smoke or hold a lit or electronic cigarette at Brackendale Montessori including in the playground area. This will apply at all times, even when children are not present. Any person refusing to comply is contravening the Smoke-Free Ontario Act.

Administering Medication

Brackendale Montessori staff cannot administer any prescription medication without proper authorization under any circumstance. Only designated Brackendale Montessori office staff members will administer **prescribed medication** with written notice from your child's doctor. Parents must present the medication to the office, in the original container with the child's name and clearly labeled indicating the dosage and time required. Parents must complete and sign a medical consent form from Brackendale Montessori. **We uphold a zero tolerance, as held by the Ministry of Children Services, for any medication left in a child's knapsack, where any child may have access.** If any such drugs or medications are discovered by staff, it will result in an automatic one-day suspension. A second such offense will result in an automatic withdrawal from Brackendale.

Administering Over the Counter Skin Products

Brackendale Montessori is permitted to administer over the counter skin products to children provided the following measures are in place:

- must have a blanket authorization from a parent on the enrolment form
- All over the counter/non-prescription medication are labelled with the child's name
- It should be store in accordance with the instructions for storage on the label
- Administered in accordance with instructions on the label as well as authorization from the parents.

Equal Opportunity (Inclusion Policy)

Brackendale Montessori is committed to equal opportunity for all children, students, employees, and candidates for positions, regardless of physical disability, race, ethnic origin, color, religion, ancestry, age, sex, sexual orientation, marital status, family status, place of origin, citizenship, or any other factor unrelated to job/daily routine performance.

We will reasonably accommodate the needs of persons with disabilities in a manner that respects their dignity and helps maximize their potential as a student or their contribution to the school as an employee.

Anti-Bias Policy

In keeping with the official policy of the Province of Ontario that inappropriate attitudes and behavior based on race will not be tolerated, we are committed to providing an environment where parents and children of diverse backgrounds, cultures and ethnic origins may feel welcome. Our aim in doing so is to promote an understanding of unity in diversity. Staff will ensure that:

- Every effort be made to positively reinforce a child's identity and self-worth.
- Each child is treated equally regardless of age, race, sex and/or physical disability.
- Programming reflects and integrates cultural differences.

Uniform Guidelines

All children are to comply with the following standards.

SHOES	Any Velcro / slip on shoes – no shoelaces as this deters independence.
SHIRTS	White school crested collared shirts, white school crested blouses, or white school crested golf shirts
PANT/SKIRT	Navy Blue Dress Pant or Skirt
TUNIC	School Tartan
CARDIGAN & VEST	Navy Blue school crested cardigans & vests
TIGHTS	Navy blue, white, or Black and worn, throughout the entire school year, with indoor shoes

*Infants & toddlers are exempt from the uniform guidelines.

Uniforms are to be worn at all times during school. Casual wear is acceptable on Fridays and during weeks designated as camp.

Brackendale Montessori reserves the right to determine the appropriateness of such things as jewelry, hairstyles, and make-up, and therefore can advise students as such on these issues, at which point adherence is required.

Clothing

A change of clothing is necessary and must be left at the school for your child in case of emergencies (*the change of clothing does not need to be in uniform colors but must be labeled*). ***If your child does not have a change of clothing and they need to be changed, you will be called to pick up your child immediately.*** It is your responsibility to ensure your child has at least one change of clothes at all times. **All clothing must be clearly labeled** with the child's name to prevent loss or confusion. Make sure to have non-slip shoes for indoor use only as described under *Uniform Policy*. **Indoor Shoes must stay at school at all times.** Children should be dressed in clothing that is appropriate to weather and seasonal conditions. Children should have snow pants, snow boots, gloves, and a hat during the winter months. Brackendale Montessori promotes independence, and we ask that the clothing worn allow the child to be self-sufficient.

Due to Safety precautions, we ask that students do not wear scarves or drawstrings (including those on jackets) while on the playground because of the potential danger of getting caught on play equipment or fencing. Good alternatives are coats with high collars that cover the neck, hats that cover the neck and head/neck warmers.

Lost & Found

Brackendale Montessori is not responsible for lost clothing. **All clothing and personal possessions must be clearly labelled with the child's name.** Lost items are placed in the Lost and Found Box. At the end of each month all lost and found items are donated to goodwill or discarded accordingly.

Tuition Fees Payments

As per the Enrollment Agreement signed with Brackendale Montessori, all fees are paid with required postdated cheques or PAD forms. NSF cheques will be subject to a charge of \$15.00. **Continuous NSF cheques is grounds for withdrawal of services.**

At the time of enrollment, we require a deposit consisting of 50 % of the last months fee. There is no refund or discount offered if your child does not attend school whether it is one day, one month or more. Also, there is no discount or tuition fee adjustment if a student cannot attend school on a day of their scheduled attendance because of a predetermined school closure. Our tuition fees are based on the entire school year as a whole and not on a month-to-month basis. School closures such as Professional Development Days, Winter Break, March Break, etc. are all predetermined, and all non-school days are factored in when the fee or tuition is set. We hope that parents understand and appreciate that Brackendale Montessori does not accept short term enrollment (daily, weekly, or monthly). When your child is accepted, we reserve that space for the entire school year and plan our entire operation on that premise. This method of operation provides a stable environment for your child and allows them to grow with a sense of community and belonging.

Reasons for Withdrawal of Services

Brackendale Montessori strives to have a peaceful, positive, and productive environment for all our families and staff alike. We recognize that parents are our clients and are to be treated with the utmost respect. However, on the very rare occasions **we reserve the right to withdraw services** to a student, at any time, for the following reasons:

- In the event that a parent's or student's behavior is determined, by a school staff member, administrator and/or the Director/Principal, such that it could be construed as harassing, excessively rude, belligerent, racist or in any other way creating tension or fear with or towards staff, other parents/children, or administration; this behavior may result in a withdrawal from the program. Each situation is assessed and reviewed individually by the Director/Principal. The Director/Principal will give written or verbal notice, and the family may be warned and/or withdrawn immediately.
- Should the teacher of the program determine, after consultation with the Director/Principal, that a child cannot adjust to the program, or if the parent has not fully carried out the conditions of this contractual obligation in anyway, including the policies and procedures, the child may be withdrawn immediately with a written notice to the parent and this agreement will be terminated.
- The safety of all children is our primary concern. Behavior that poses a safety hazard or is deemed to be of an abusive nature (physical or verbal) for the other children or the staff will not be accepted and could result in immediate withdrawal or temporary suspension of service.
- Failure to meet the tuition fee requirements
- Not completing all the requirements for school student records or Ontario Student Records (OSR)
- Brackendale Montessori has the right to deny any re-enrollment application 20 business days before the scheduled start date.
- Brackendale Montessori has the right to withdraw any new enrollment within the first 30 business days at the sole discretion of the director/principle
- Failure to report an existing condition or any other vital information may jeopardize safety and enrollment. This may also prevent him/her from benefiting full in Brackendale Montessori program. Brackendale Montessori reserves the right to withdraw my child from its program in the best interest of the majority of the children in the school or its programs.

Withdrawal & Refund Policy

- A signed, dated, written notice of withdrawal must be given or emailed directly to the office **one month in advance** from the date of withdrawal. If notice is not received in writing, a fee equivalent to one month's school fees will be incurred.
- Registration fees are nonrefundable
- Last month's fee is refundable if one month's notice is provided.
- Prorated refunds for monthly tuition fees are not permitted.
- Any fees paid towards field trips, busing, extra-curricular activities or programs, events are non-refundable.

Past Due Accounts

Fee amounts which are not paid on or before the due date are charged at an interest rate of **14%** per month. Failure to clear past due accounts (over 30 days) may result in the removal or suspension of a student, including any siblings from Brackendale Montessori. It is the school's policy that students cannot be enrolled/re-enrolled for the forthcoming academic year if there are any outstanding accounts. Past due accounts for any reason whatsoever may result in small claims and is subject to applicable penalties at Brackendale's sole discretion until fees have been received in full.

Tax Receipts

Tax receipts are prepared and given out once a year. No Tax Receipt will be issued if there is any outstanding balance owing.

Financial Statements

A privately held corporation; with non-disclosure to the public; however, Brackendale Montessori does submit audited financials to Children and Youth Services.

Field Trips & activities off the premises

Field trips may be scheduled throughout the year. When a field trip is planned, parents will be notified of the details and asked to sign a permission slip ahead of time. They may also be invited to assist in the chaperoning of the children, however, require an attestation or vulnerable sector check prior to attending the trip. Parents are responsible to arrange for alternate care if their child is not participating in a particular event or program.

Lunches/Snacks

The importance of diet and early childhood development is something that we take very seriously. Brackendale Montessori will provide Infant, Toddler and Casa children, a catered lunch and two snacks daily; all foods provided meet and exceed The Canada Food Guide requirements. Copies of the menus are posted at the main entrance of the school and in each

classroom. We believe that healthy choices will lead to a child that is healthier and better apt to learn in school and at home.

Toys

Please do not send your child to school with toys or items that may be distracting both for your child and others. While toys may provide temporary security for your child, they often hold them back from participating in valuable activities. School and/or teachers will not be held responsible for any toys brought in from home.

Changes in the Home

In the event that a significant change occurs in the home that could cause distress in the child, parents should inform the teachers as soon as possible. Common causes of distress include parent(s) being away from home for an extended time, a new person living in the home, illness of a family member, an accident or death in the family, a new caregiver, moving, the death of a pet, parents' separation, or divorce. All information will be regarded as strictly confidential.

Fragrance/Scent Free Environment

Brackendale Montessori realizes an increasing number of people have developed sensitivities to certain chemicals. Brackendale Montessori wants to limit the exposure to children, staff, volunteers, and parents of our Brackendale Community.

POLICY STATEMENT: Brackendale Montessori supports the creation of a fragrance-free environment so that chemical barriers will not prevent access to Brackendale Montessori for people having chemical sensitivities.

This policy applies to all staff and visitors who are asked to refrain from using, wearing, and bringing scented products and materials into Brackendale Montessori properties and buildings.

PROCEDURE: To limit exposure staff is encouraged to:

1. Use non-scented body products (e.g., perfume, cologne, lotions, scented hair products, etc...).
2. Refrain from the use of optional items that give off scents (i.e., any type of air fresheners, potpourri, and flowers).
3. Air-out recently dry-cleaned clothing before wearing to work.
4. Use the least toxic cleaning products, disinfectants and paints that are commercially available and store these products in tightly closed, ventilated areas away from staff and visitors.
5. Staff and visitors are encouraged to remove yourself from the exposure of scents which may include but is not limited to, perfumes, cigarettes, cannabis, oils, and mists.

CONTRAVENTIONS: Non-compliance of this policy will be brought to the attention of the director and/or supervisor for further action which may include suspension or withdrawal of service.

Activities Waiver and Permission Agreement

All Parents/Guardians who register/re-enroll their child(ren) at Brackendale Montessori are subject to, acknowledge and agree to the following:

* Have been issued and had sufficient opportunity to review the “Parent Handbook” for the current academic year (*please check the bottom right corner of your handbook pages to confirm you have the most current handbook*).

In consideration of Brackendale Montessori permitting my child(ren) to participate in activities, i.e. field trips, school programs, sporting events and other off campus activities, (‘Activities’), the undersigned hereby gives full and final release to Brackendale Montessori, its respective directors, officers and employees of and from any and all claims whatsoever arising or which may arise by reason of the child’s participation in the Activities including any claims whatsoever due to personal injuries or illness of Brackendale Montessori, its respective directors, officers or employees.

Should the child suffer injury or illness while on the Activities, the Parent/Guardian hereby authorizes any representative of Brackendale Montessori and, in particular, any teacher accompanying the child, to authorize such medical attention for the Child as may be deemed appropriate by said representative of Brackendale Montessori in the circumstance. The Parent/Guardian agrees to bear the costs of any and all medical care and procedures required by the child. The Parent/Guardian also agrees to maintain appropriate medical insurance coverage for the child while on the Activities.

The Parent/Guardian hereby releases Brackendale Montessori, its respective directors, officers and employees from any claims whatsoever arising out of any medical treatment the child may require.

The Parent/Guardian acknowledges that should the child fail to keep and obey all rules and regulations prescribed by Brackendale Montessori, its respective directors, officers, and employees, while participating in the Activities, Brackendale Montessori may, in its sole and absolute discretion, terminate the child’s participation in the Activities without refund for the cost (if any) of the Activities. Any additional costs incurred by reason of the termination of the child’s participation in the Activities and/or as a result of the child being sent home will be the responsibility of the parent.

Code of Behavior

We at Brackendale Montessori want children to develop a positive self-image and respect for themselves and others. We believe that by treating children with fairness and respect they will regard others in kind.

The following expectations are intended as a guide to maintain the atmosphere at our school as a safe, educational, respectful, and comfortable place to be. These expectations are equally applicable to out of school field trips, indoor and outdoor events, and activities. The school has a zero-tolerance approach with respect to violence, physical aggression or physical or verbal bullying. Each child at Brackendale Montessori School has the right to a safe, respectful, and secure learning environment.

Bullying may be identified as:

- Physical and aggressive contact that can be uncomfortable and/or coercive in nature
- Verbal comments of a sexual, personally demeaning, or racist nature.
- Verbal comments that target specific physical characteristics or language difficulties.
- Behavior that intentionally isolates peers in a manner that causes an emotional outcome.
- A disrespectful tone and/or sarcasm used to intimidate, patronize, condescend, or overpower.

The Student at all times shall:

- Be courteous and respectful to and of others.
- Use acceptable language.
- Conduct him/herself in a manner that allows each child and staff member to feel safe from any form of verbal or physical abuse.
- Respect the building, property, and equipment as well as the personal property of staff and other students.
- Show respect for all individuals through his/her actions, behavior, and words.
- Follow the rules of the classroom and the school.

Students have the Responsibility:

- *To treat others with compassion, kindness, and respect, accepting different points of view, different heritages and different racial or national origins or religious beliefs as valuable and adding to the richness of the school environment.*
- *To accept the rules, authority, of staff and school.*
- *To refrain from verbal and/or physical abuse of others in our school*
- *To respect the property of the school and others within our school*
- *To contribute to a positive learning atmosphere in their classes and to respect the feelings and opinions of others in our school*
- *To exercise self-control in our school and on its grounds*
- *To work hard and to their fullest potential*

Waiting List Policy and Procedures

This policy and the procedures within provide for waiting lists to be administered in a transparent manner. It supports the availability of information about the waiting list for prospective parents in a way that maintains the privacy and confidentiality of children.

The procedures provide steps that will be followed to place children on the waiting list, offer admission, and provide parents with information about their child's position on the waiting list.

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for a childcare center that maintains a waiting list to have related policies and procedures.

Policy

- Brackendale Montessori will strive to accommodate all registration requests.
- Where the maximum capacity of a program has been reached and spaces are unavailable for new children to be enrolled, the waiting list procedures set out below will be followed.
- **No fee** will be charged to parents for placing a child on the waiting list.

Procedures

Receiving a Request to Place a Child on the Waiting List

1. The licensee or designate will receive parental requests and application to place children on a waiting list in person.

Placing a child on the Waiting List

1. The licensee or designate will place a child on the waiting list in chronological order, based on the date and time that the application was received.
2. Once a child has been placed on the waiting list, the licensee or designate will inform parents of the approximate time frame until a spot may become available.

Determining Placement Priority when a Space Becomes Available

1. When space becomes available in the program, priority will be given to children who are currently enrolled and need to move to the next age grouping, siblings of children currently enrolled, children of staff, children who are referred by families currently enrolled.
2. Once these children have been placed, other children on the waiting list will be prioritized based on program room availability and the chronology in which the child was placed on the waiting list.

Offering an Available Space

1. Parents of children on the waiting list will be notified via phone or email that a space has become available in their requested program.
2. Parents will be provided a timeframe of 5 business days in which a response is required before the next child on the waiting list will be offered the space.
3. Where a parent has not responded within the given timeframe, the licensee or designate will contact the parent of the next child on the waiting list to offer them the space.
4. After six months, families still on the waitlist will need to reapply by resubmitting proper documentation. This will indicate continued interest in placement.

Responding to Parents who inquire about their Child's Placement on the Waiting List

1. The Supervisor will be the contact person for parents who wish to inquire about the status of their child's place on the waiting list.
2. The Supervisor will respond to parent inquiries and provide the child's current position on the list and an estimated likelihood of the child being offered a space in the program.

Maintaining Privacy and Confidentiality

1. The waiting list will be maintained in a manner that protects the privacy and confidentiality of the children and families on the list and therefore only the child's position on the waiting list will be provided to parents.
2. Names of other children or families and/or their placement on the waiting list will not be shared with other individuals.

Terms & Conditions for Enrollment

1. Brackendale Montessori requires a contact email address. This address will be an essential part of parent/school communication. Please provide your contact email address on “Application for Enrollment” (provide two email addresses per student if possible). As with all contact information, it is the responsibility of the parent/guardian to notify the School when there is a change made to the primary email address(es).
2. I understand that fees must be paid in advance and NSF charges will be applied for every returned payment. Brackendale Montessori will have the option to refuse any future cheque payments and to request payment by cash, certified cheque, or money order. Two NSF payments may result in the suspension of students until the account is paid in full.
3. I understand that there is no reduction or refund of fees during my child’s absence from school, for any reason whatsoever. Provided my fees are paid up to date, my child’s space will be reserved during any absences. If these fees are not paid in advance, I understand that my child’s enrollment could be discontinued.
4. I understand that I am responsible for informing the school if my child is going to be absent from school due to an illness, travel plans or any other reason.
5. I understand that my child may attend planned field trips, activities, or special programs “in” or “out” of school and additional fees may be required accordingly.
6. In the event of an emergency, the school has my permission to administer first aid or any other emergency treatment in the best interest of the child. I agree to pay all expenses of any nature whatsoever incurred due to an emergency involving my child.
7. I will advise the school immediately of any changes in address, email or telephone numbers at home or business as well as emergency contacts, Doctor’s information, and numbers so that the school can reach me, or persons required at all times.
8. I will provide the school all updated records which may be required including copies of immunization, birth certificate, health care, small photograph, etc.
9. I understand that if I opt out of the school lunch program, for whatever reason, I will provide my child homemade lunches and snacks for school or for extended care. (Option only for children 3.8 years of age or older). All lunches and snacks must meet the Canada Food Guide Requirements. I will not provide treat items such as chips, chocolate, and candy.
10. I understand that the children will be required to play outside daily, except during inclement weather.
11. I understand that this agreement, the terms, and all policies and procedures are subject to changes, revisions, and amendments.
12. All tuition and applicable fees are subject to change.
13. All extra programs, school supplies, uniforms, field trips, extra-curricular activities and the like are not included, and fees will be additional accordingly.

14. Brackendale Montessori School reserves the right to approve or deny any student enrollment or re-enrollment at its sole discretion.

New policies and procedures will be in place to minimize the risk of Covid-19 transmission. At times this will be frustrating, but we ask that you please be patient as we do our best to keep your children and our teachers as safe as possible.

Our plan to keep everyone safe:

- I. All staff will be trained on the proper use, care, and limitations of any required PPE.
- II. Staff are cleaning and sanitizing all rooms, common areas & washrooms throughout the day.
- III. We are helping the children wash their hands properly and frequently.
- IV. Cribs and cots will be further apart at nap time.
- V. If any child shows signs of illness, we will separate the child and call the parents immediately. We will advise all families in the event of an outbreak.

How you can help:

- I. Monitor your children for signs of illness - **If in doubt, use the following [COVID-19 school and childcare screening tool](#). Never give your child medication to bring down a fever and then bring them to school.**
- II. Wash your hands often with soap and water or alcohol-based hand sanitizer (with greater than 60% alcohol content)
- III. Sneeze and cough into your elbow.
- IV. Avoid touching your face. Especially your eyes, nose, or mouth.
- V. Avoid contact with people who are sick.
- VI. Stay home if you are sick or suspect you could be sick.
- VII. Avoid high-touch areas, where possible, or ensure you clean your hands after.
- VIII. Implement all measures of health and safety as per Durham public health
- IX. Ensure we have your current phone numbers and provide back-up numbers.

Despite all our collective efforts, we could end up with a case/case of Covid-19 at our facility.

By registering with Brackendale Montessori you are aware of the potential for illness, and that you accept the risk associated with sending your child to school during this time.

Thank you for your understanding and support as we navigate these times while we reopen gradually and cautiously and provide your children with a safe experience.

15. Confidentiality and Privacy All of the information requested to complete each student's file is solely used for school purposes and the staff of Brackendale Montessori does not share private information with other parents/guardians and visitors unless requested by law

I have read, understood, and will abide by the above Terms and Conditions along with the Parent Handbook:
